Presidents Report

I can't quite believe that my first year as president has ended already - it really was a quick year, but one in which we were very busy across all areas of the club.

Through the year we have been working to complete the fit out of the building and have made great progress. The steam rooms were commissioned last winter and were a "lifesaver" for our Icebergers after their swims. We have built storage units for the belt and reels which also has a shelf for the board bags. This has been a great improvement to the utilisation of space as well as being safer for all. We erected our name above the main entrance and it really makes the building feel like home. The gym has been developed and kitted out during the year and is getting regular use. By the start of next season the external barbecue will be installed and the final cabinetry in the downstairs patrol room will have been installed. I would like to thank Nick Wootton and Keith Hunter who have been key in progressing this work.

We have also been working behind the scenes on the management of the club as it continues to grow and we seem to be burdened by more and more red tape. We have moved our accounting to a cloud based solution which allows our employees to enter their time sheets and club hire and schools program to raise invoices. We have also taken the view that we must employ people that are paid by MMLSC correctly and pay the super, where appropriate, and ensure they are all covered by workcover. Although this may increase our costs slightly we have taken the view that we are responsible employers and want to remove any risk to our members or employees.

One of the busiest areas of the club is our Nippers program and this year was no different. There were a few changes and developments this year and I believe they were a great addition to the program. The under 6's were incorporated into the rotations, with a new beach layout and a specialist program for the under 13's and 14's. We would like to thank parents for their support in this year of transition and look forward to a fantastic program next year.

It was a challenging year as we rebuild our Seniors program but we had a great turnout from a regular group of attendees. Thanks to Jon, Shane and Lisa for all their efforts. I'm sure that the foundations they have laid this year will show benefits next year.

Masters have had another great year with the Wednesday night training evenings - and the social gatherings afterwards well attended. A good turnout at the Masters State Championships saw almost all our competitors retuning with a medal - well done to all. I would like to give a huge thanks to Scott Fifield for the years of dedicated coaching to our Masters. Your encouragement and support has been valued by every Master, thanks Scott.

This season we were able to ensure our beach and facilities were accessible to more within our local community. At the start of the season, in conjunction with Mornington Peninsula Shire and Disabled Surfers Association, we were delighted to be the first all abilities accessible beach on the Peninsula. This means that many more people with disabilities or people who have difficulty walking on sand are able to get to the water using the matting. It has been widely used throughout the season and we are hopeful that the Shire will see the value of this matting and allow us to keep it next season. There have been many stories of people who have not been able to access the water for many years, some for almost 30, being able to get in and enjoy the water again. I am really proud our club has been part of these heartwarming stories. I want to give a huge thanks to the Icebergers who put the matting out every Saturday and Sunday morning ensuring it was ready for use, and patrollers for bringing it in at the end of patrol - a massive effort by these groups, thank you.

Also this season we started our Starfish Nippers program which is a program that aims to give young people with disabilities beach safety and water awareness skills. The Starfish Nippers slotted in seamlessly with the Nippers program and the participants all developed their confidence and water awareness through the season. I would like to thank Sarah Hilli and her team for having the desire to implement the program and for getting it off the ground - well done; I know the participants and their families are very grateful for the program.

This season we celebrated the 30th anniversary of the founding of the club. It is humbling to see that the vision of a dedicated group of Mt Martha locals has blossomed into the fantastic organisation and facility that we have today. I'm sure if these founding members were to look back today they would be proud with the progress the club has made to become an integral part of our local community. We celebrated this anniversary with a social evening with some great speeches reminising about the early days of the club, which enlighted many in attendance to the clubs humble beginings. At this event we also recognised the contribution of Chris Milne to the development of the club by dedicating the downstairs equipment room in his honor and naming it "The Chris Milne Room".

Finally I would like to thank my family for their support. Pam, Hannah and Lucy have been a huge help to me in addition to their own volunteer roles within the club - I couldn't have done it without you.

Although it was very busy, varied and challenging at times I have thoroughly enjoyed this year as the 7th President of Mount Martha Life Saving Club and look forward to seeing the club develop further over the forthcoming seasons.

Financial Report

Independent Audit Report

To the members of:

Mt Martha Lifesaving Club

SCOPE OF AUDIT

I have audited the special purpose financial report of the Mt Martha Lifesaving Club for the financial year ended 31st March 2017.

The Management Committee is responsible for the preparation and presentation of the financial report and the information it contains and has determined that the accounting policies used and described in Note1 to the financial statements which form part of the financial reports are appropriate to meet the requirements of the Associations Incorporation Reform Act 2012 and are appropriate to meet the needs of the members.

I have also conducted an independent audit of the financial report in order to express an opinion to the members of the association on their preparation and presentation. No opinion is expressed as to whether the accounting policies used, and described in Note 1, is appropriate to the needs of the members.

The financial report has been prepared for distribution to members and to satisfy the reporting requirements of the *Associations Incorporation Reform Act 2012*. I disclaim any assumption of responsibility for reliance on this audit report or the financial report to which it relates to any person other than the members, or for any purpose other than that for which it was prepared.

AUDIT OPINION - UNQUALIFIED

In my opinion the financial report presents fairly the financial position of the Mt Martha Lifesaving Club and the results of its operations at 31st March 2017 in accordance with Australian Accounting Standards.

Club Captain's Report

Season 2016/17 has been an enjoyable one for me, particularly as my new role has allowed me to get to know a lot of you better. As Club Captain this year I have tried to be a facilitator of active participation in lifesaving beyond the realm of patrols.

Through training we not only improve our health and fitness, but also have great fun along the way, importantly, training also develops skills that allow us to guide others. To grow as a club, we need a strong base of skilled members that can participate at a variety of levels, whether that be in new award training, Nippers and Seniors, the Schools program or in Starfish Nippers. It has been great to see many active members from Seniors through to Masters contributing this year and helping to build and strengthen our foundation. Looking forward, it is our plan to continue to invest in training and skills development so we can become a stronger club that better serves the needs of the community that we are a part of.

Over this coming winter training will continue at Pilates, in the Gym and for those who are keen, in the water. I would encourage members of all abilities to join in, I'll be there!

Jon Myers
MMLSC Club Captain

Patrol Captain's Report

The past patrol season has been another strong one for MMLSC with 8 teams once again patrolling the beach between October and April. With prolonged good weather over the Christmas & New Year period and right through to Easter beach visitations were at an all time high and I would like to thank all patrol members for their dedicated service to ensure that public safety was well catered for on our strip of beach during the summer season. Although we don't experience high numbers of rescues we do provide a very visible and reassuring presence on the beach and all patrol members should be very proud of the community service they provide. In addition this year we also saw the introduction of the all abilities access beach matting which required the Icebergers and patrol teams to deploy and pack it up each weekend. This was great service offered by Mt Martha LSC and was well utilized throughout the season. The season was also punctuated with loads of significant events that required patrol teams to go above & beyond. These included another successful running of the MMAD Swim, managing a Junior Carnival and supporting the successful inception of the inaugural Pink Patrol in support of a range women's wellbeing initiatives. Well done to all involved!

A huge thank you to Chief Instructor Pam Mowat for coordinating all the new award training and assessments along with numerous requal sessions that were offered. Our club is extremely fortunate to have someone as dedicated as Pam to manage training & assessment and I am very grateful for her work. Additionally I would like to thank the numerous trainers who gave up their time to assist these sessions. As a club we are indebted to their time and expertise and our patrol fluency is a direct result of their valuable efforts.

Patrol Captains and Vice Captains also need to be recognized for their ongoing efforts to motivate & manage their teams throughout the season. Our excellent performance with meeting patrol requirements and responding to incidents is a reflection on their leadership along with the more seasoned patrol members. A huge thankyou from me to them all, your ability to self-manage showed the maturity & experience we are blessed with at MMLSC.

Next year promises to be just as busy and I look forward to seeing everyone back refreshed and raring to go as we set about making Mt Martha beach one of the safest in the state whilst also providing our patrol members with the best opportunities to maintain their lifesaving skills.

Grant Gibbs
MMLSC Patrol Captain

Pink Patrol

On Saturday 18th February some of our female patrol members came together to form the club's first Pink Patrol. Funds raised went to the Glen McGrath Foundation. Funds go to Breast Cancer Care Nurses who in turn assist 50,000 families around Australia, together with The Luke Batty Foundation where funds go to assisting in ending violence against women and children.

The Pink Patrol also initialed the club's first and also possibly Australia's first "High Heel" swim. Watch this space as I anticipate overwhelming numbers next year!

Special thanks to Dave Mowat for initiating the idea in early 2016, Grant Gibbs for the great ideas and support, Bec Gibbs in helping getting the day off the ground, Beth Graves, Hannah and Lucy Mowat for water safety, Hon Greg Hunt MP - Federal Sports and Health Minister for getting our "High Heel Swimmers" on their starting blocks and all the "chicks" who supported the day.

Sal Davis - MMLSC Pink Patrol Team Captain

Chief Instructor's Report

This season saw us becoming more self sufficient in the running of our training courses and in particular our requals. Although initially it was hard to understand how this would work, the feedback that I have had from members has been incredibly positive. We appointed authorised delegates who were able to sign off the practical components of the requals during regular patrols and training sessions which made better use of members time. We are lucky to now have a large bank of qualified trainers with another group shortly to sit their Training Officers Certificate Course. We are also lucky to have a few new assessors - please remember to thank our training officers and assessors when you sit a new award or requal - they are giving up their time to help you.

New awards achieved over the 2016/17 season are:-

Silver Medallion IRB Driver	4
IRB Crew Certificate	16
Spinal Management	1
Silver Medallion Basic Beach Management	8
Advanced Resuscitation Technique	25
Surf Rescue Certificate	11
Bronze Medallion	22
First Aid	24

Pam Mowat
MMLSC Chief Instructor

IRB Captain's Report

The season began with an LSV directive for all drivers and crew to show practical competency through a series of skills assessment tasks to requalify their award. The bay served up some testing conditions for some of the requals and this highlighted the talents of several of our drivers and crew. Most drivers and crew managed to show their skills before the end of December deadline.

Two courses were run. The first with Gunnamatta SLSC where 4 new drivers and 4 new crew were welcomed to the Mt Martha IRB team. The second course saw 12 new crew members undertake a significant portion of their training while on patrol with their team. This new approach seemed quite popular with the candidates and had the added bonus of giving all drivers in the club an opportunity to work with developing our new candidates. Assessment was booked for end of April with expected rough Easter conditions. Not so - Melbourne served up a sheet of glass for the assessments!

During the season we took possession of a new beach trailer, fuel cabinet and replaced an old motor with a new one. Our 3 IRBs are all fully functioning and ready for the 2017/18 summer.

Craig Dullard
MMLSC IRB Captain

Radio Captain's Report

At the conclusion of the patrol season the handheld radios are all still operational, little maintenance will be required with only a couple of batteries to be replaced. Updated information regarding the new radio network is hoped to go live next season.

Tim Harper
MMLSC Radio Captain

Gear Steward's Report

This season we have had a small amount of repairs and the new reel rack was built. Club equipment is being better looked after due to more space and better organisation. Continual improvements and signage have helped with this area.

Darren Hood
MMLSC Gear Steward (Competition)

ATV Captain Report

With the 16/17 season at an end, a brief summary on the ATV's that we rely upon on each patrol.

Old faithful, the red Club Car ATV had a spruce up at the start of the season. A major service was done, and complete replacement of the brakes, disks, and handbrake cable. The corrosive environment got the better of the brakes, and it was time to replace the lot. Please remember after each patrol to wash down the ATV, including the undercarriage, to help extend the vehicles lifespan.

We made the tough decision to sell the showboat of the fleet (aka the yellow Commander ATV). It was deemed surplus to our requirements, and with its lightweight design, it sometimes struggled to pull the IRB's up the soft sand beach. It was the sports car of the fleet, and will be missed. It certainly cut a fetching figure on the beach! The next step will be to look at suitable ATV's on the market, and start thinking about a suitable replacement for the red Club Car.

See you next season!

Paul Galvin
MMLSC ATV Captain

Junior Activities Report

Wow what a fantastic season our Nippers had, great weather, a successful state carnival and learning lots of new lifesaving skills. The success of the program is largely due to the huge team of helpers we are extremely fortunate to have. I'd like to thank the following people:

Junior Sub Committee	Coaches	Coaches
Bec Gibbs	Jon Myers	Greg Crowter
Peter Johnstone	Darren Hood	Tanisha Stuart
Deanne Johnstone	Grant Gibbs	Shane Dawson
Dawn Jenkins	Caroline McGill	Simon Perry
Steve Hofer	Peter Johnstone	Vanessa Wootton
Jackie Jackson	Matt Barke	Nick Wootton
Tanya Brown	Max Hilli	Mark Morris
Max Hilli	Ben Golotta	Katherine Montoya
Lucy Mowat	Abby Galvin	Jayde Dawson
Sarah Hilli	Zoe Brown	Lily Hughes
Leah Andrews	Chloe McGill	Alyssa Spears
	Eloise Robertson	Jerry Krasnof-Hnatjuk
	Rhys Cole	Lucy Mowat
	Luke Woods	

Age Group	Age Manager	Assistant
u/6 B	Troy & Lorna Westley	Armin & Zoe Boehnke
u/6 G	Bronwen Hocking	Jasmine Walter
u/7 B	Tanya Brown	Tasha Hartley-Jackson & Andrew Peach
u/7 G	Bridget Hancock	Dave Thomas
u/8 B	Adam Taylor	Graeme Still & Jason Dreger
u/8 G	Stephen Howarth	Kirsty Hardt & Sylvia Arends
u/9 B	Graeme Lear	Pauline Jacob
u/9 G	Tammie Coady	Angela Iliopoulos
u/10 B	Kimon Papageorge	Leigh Brown

u/11 G	Jane Hart	Lisa Richards
u/12 B	Shane Dawson	Mika Tossavainen
u/12 G	Leonie Summer	Bec Hooker
U/13	Deanna Hopgood	
U/14	Prue Lines-Perrier	

The intra-club carnival provided opportunities for all nippers to experience life saving competition, this again was a successful night, thanks to Peter Johnstone and our team of helpers. This event will remain a permanent fixture on our nipper program.

Junior Activities Report

The State Carnival was another huge success being held at MMLSC on Sunday 5th February. Many members helping out which contributed to the days success. We hosted over 900 nippers from around the state along with over 70 MMLSC nippers competing, many for the first time. As an incentive to get more nippers competing the MMLSC committee approved the funding to pay for all MMLSC nippers entry fees for this carnival, which was greatly appreciated. Huge thanks to Jackie Jackson, David Mowat, Peter Johnstone, Deanne Johnstone and Patrol Team 3 & 5 for their extra efforts on this day. Along with Kaye Jarrott and Sue Flanagan doing a fabulous job on the coffee machine.

This season we tasked the Age Managers to complete a roster sheet for their Age Group to help on Friday night with set-up, bar, canteen, Friday night dinners, this was a great success and will continue into next season. Thank you to Tanya and Leigh Brown for overseeing the beach set-up, this was a huge help to me. Also thanks to Leah Andrews for helping with the rostering.

A huge thank you to Jackie Jackson and Lorraine Stuart for providing meals and beverages on a Friday night, the social interaction after nippers is a huge part of Friday nights and this combined with the introduction of Friday night movies, made for an extremely pleasant way for our nipper families to catch up and wind down on a Friday night. Thank you also to Eddie and Andre & Paul for their musical entertainment.

This season we decided to hold the clubs Christmas party on a Friday night, this was a huge success, partly due to the excellent weather. Thank you to Nicky Nurrish and Sally Davis for all their efforts. Thanks to David Mowat for organising the extension of our liquor license to incorporate the downstairs area. Catering was either BYO picnic or Peninsula Paella's and they did an amazing job as usual. Also thanks to Mark Prendergast for organising 2 jumping castles which was a huge success. And lastly a big thank you to Father Christmas for taking time out of his busy schedule to come and visit our nippers and wish us all a Merry Christmas.

I'd like to give a huge thank you to the Age Managers and Assistants. We had a rocky start to the season and we made quite a few changes along the way. Everyone was extremely supportive and worked with me in making these changes happen as smoothly as possible. We made some major changes to the program at the start of 2017 which saw the Under 6's brought into the rotation and the Under 9's sent to the big nippers side of the beach. From the feedback we received from Age Managers and Parents this was a very successful move and we will continue this format into 2017/18. An extra thank you to those Age Managers that have also attended carnivals this season.

A massive thank you to Simon Perry for all his help with the Lifesaving Education lessons, this is a difficult area to teach and some nippers can find it boring, this was definitely not the case, Simon's enthusiasm and fun teaching style ensured that the nippers were well versed on first aid and other life saving skills and having a blast at the same time. Simon, I can't thank you enough for all your hard work. Look forward to working with you next season.

Junior Activities Report

Coaches, what can I say we are extremely lucky to have so many of our seniors come down and help coach our nippers. I know many of you are juggling other sports, school and work commitments. We can't thank you enough, I hope you enjoyed the season and you got a lot out of it. Sometimes it can be daunting with 20-30 little faces looking up at you, but this is a fantastic skill to have and is an excellent addition to your resume. A huge thanks to our adult coaches, as listed before – I'd especially like to thank those coaches who continue to come down even though they no longer have nippers involved – Darren Hood, Jon Myers, Vanessa & Nick Wootton and Caroline McGill – your support is greatly appreciated.

A big thank you to the Junior Sub-committee – Dawn Jenkins has been a great help communicating with the little nippers and making sure everyone is happy and supported. Steve Hofer – your support has been great this season, you do a fantastic job overseeing water safety and your positive attitude is a huge asset to the program.

Thank you to John Harvey and Patrol Team 8, your reliability, always having a boat in the water, water area set-up, first aid room ready, these efforts do not go unnoticed and your support of the nipper program has been fantastic.

Congratulations to Sarah Hilli, Julie Marshall and their team for all their efforts on a successful first season of the Starfish Nippers. This is a fantastic program for nippers and the club as a whole. We look forward to working with you guys in 2017/18.

Lastly but by no means least is our amazing 2016/17 Junior Parents of the Year – Deanne & Peter Johnstone. We started at the very beginning of the season with the Nipper Camp @ Anglesea YMCA, such a fantastic weekend and very well organised, the nippers had a blast and came away with some fantastic surf experience. Your enormous contribution to nippers has been above and beyond, thanks again for all your hard work which involves - the winter ice-cubers, board training, winter pool training, loading and unloading the competition trailer, carnival registrations, managing the competition team at carnivals, carnival officialling, preliminary and competition swims, coaching on a Friday night, running the intra-club carnival and filling in to run the program in my absence. Your support throughout the season, has been greatly appreciated.

Bec Gibbs
MMLSC Acting Junior Director

Junior Competition Report

Mount Martha nippers had a very full calendar of events with eight carnivals attended this year.

All those that competed can be very proud of their efforts in representing our club. 70 nippers competed at the carnival held at Mount Martha with many great results across all age groups. The U10 age group was a highlight with a first, second and third result in flags, sprints and wade and first overall in girls Aqua Cameron relay.

This year the Chelsea and Lorne carnivals served as qualifying events for Junior State Championships. Again there were great efforts by all that attended in the 1.5-2m swells at Lorne.

The Hampton carnival held the state titles for the last belt & reel competition at nippers' level. Henry Fuller & Edward Johnstone finished 7th overall in a very competitive field.

Warrnambool held the Junior State Championships over the March long weekend. The 22 competitors that attended should all be commended for their efforts. The March Past team was coached by Lucy Mowat with Toby Hofer our flag bearer and U9 Maisy Cook in the belt. Kasper Hardt won the gold medal in the U10 individual beach sprints. Charlie Lines-Perrier made the flags final finishing 5th overall in his last competition as a nipper. Composite teams with: Altona, Carrum, Bonbeach and Sorrento enabled our nippers to enter many team events at State Championships.

Thanks to all our nipper parents, Jackie Jackson, Hannah Mowat, Lucy Mowat and Zoe Brown for volunteering as age managers, coaches, carnival officials and undertaking water safety.

NIPPER AWARDS 2016-17

Junior Club Person of the Year – Toby Hofer

Junior Parents of the Year – Deanne & Peter Johnstone

Overall Champion Female – Lucinda Johnstone

Overall Champion Male – Edward Johnstone

Age Group	Champion Nipper Award	Sportsmanship Award
Under 6 Girls Under 6 Boys		Tully Mathias Archer Wendt
Under 7 Girls Under 7 Boys		Sibella Lupton Sebastian Peach
Under 8 Girls Under 8 Boys	Signe Hardt Jai Morris	Leila Psalia Harry Ryan
Under 9 Girls Under 9 Boys	Maisy Cook Isaac Hofer	Maggie Mathias Barnaby Slocombe
Under 10 Girls Under 10 Boys	Lucinda Johnstone Kasper Hardt	Tess McKenzie-Smith Cian Andrews
Under 11 Girls Under 11Boys	Alex Cunningham Sage Cook	Scarlett Goodman Charlie Perry
Under 12 Girls Under 12 Boys	Poppy Cook & Amelia Summer Edward Johnstone	Bella Hooker Jackson Tossavainen
Under 13 Girls Under 13 Boys	Faye Crowter	Sylvie Walker Zac Lupton
Under 14 Girls Under 14 Boys	Lily Hughes Charlie Lines-Perrier	Ella McKenzie-Smith Jack Ryan

Peter Johnstone - MMLSC Junior Competition Manager

Starfish Nippers Report

Mount Martha Life Saving Club was pleased to start Starfish Nippers in 2017. Starfish Nippers is a modified Nipper Program for children and young adults with special needs, that is included with our traditional Nipper Program.

The Starfish Nipper program was created by the Anglesea Surf Life Saving Club. The program is now operating at many lifesaving clubs in Victoria. Janet Jones from Anglesea SLSC has created a program that caters for children and young adults ranging from 6 years and above with special needs. The Anglesea Nipper Program was greatly enhanced by the addition of the Starfish Program, and we hope that it will be a wonderful addition to MMLSC Nippers. We are grateful to have access to their program resources.

Activities for our Starfish Nippers include the traditional beach games and activities, beach running, beach flags, swimming, board skills, water familiarisation, beach, water and surf safety. We will join other Age Groups for some fun relays and games. We have an instructor for every nipper, a ratio of 1 nipper per trainer for beach activities and in some cases 2 trainers in the water activities depending on the nipper's ability. This ensures the program can be specially tailored to meet individual needs and skill levels in and out of the water, we offer positive instruction and encouragement along the way. However, we do have a policy which stipulates that a parent or carer must be on the beach at all times while the session is being run in case additional assistance is required.

We were very lucky to have 7 Starfish Nippers sign up at MMLSC in our first year. Current member Flynn, and new members Ally, Caleb, Olly, Tristan and Ryan were an absolute delight to have in the group.

Our Starfish Nippers each had their own helper, club members Lisa Davies, Tayla Davies, Maria Harvey, Lynne Tickell and Sarah Marshall. We even had Mornington LSC member Jill McIver join our club temporarily so she could be part of the group. We were supported along the way by Jodie Shanahan, Steve Davies, Warwick Hilli, Tim Harper, John Harvey , Under 10 boys, Darren Hood, Max Hilli, Ben Golotta and of course the wonderful Starfish Nipper parents!

If you are interested in finding out more about the program, signing up or becoming a trainer for Starfish Nippers at MMLSC, please contact Sarah Hilli on 0419 313 437 or Julie Marshall on 0418 130 668. Alternatively you can email starfishnippers@mmlsc.com.au or follow us on Facebook: www.facebook.com/StarfishNippers

Sarah Hilli and Julie Marshall
MMLSC Starfish Nippers Coordinators

Social Coordinator's Report

Mount Martha Life Saving Club is a very social and busy Club, even in the off-season.

Its regular social functions include:

- Annual "Thank You" Night – to thank all Patrol Members for their time and effort during the season and to thank our sponsors without whom we would not be able to maintain and purchase equipment, train and make our beach a safe place to have fun.
- Open Mic Nights – Members and friends are welcomed to share the many musical talents of the local community. These run throughout the off season over Winter.
- Friday Night Dinners throughout the Nipper season.
- Nippers Friday night Movie.
- Live music on the deck in Summer.
- Christmas Party – Over 300 members take over the beach to party and welcome Santa to the Club.
- Winter social events e.g. cocktail night, Halloween party, 80s theme nights etc.

This year also saw us celebrate the Clubs 30th Anniversary with a function in February welcoming old and new members to commemorate the growth of the club and to share some great memories.

Other events this year have included the Iceberger Presentation Night, Masters Celebration evening and the Seniors end of season break up. Follow our Facebook page to see what events we have planned over the coming months.

Nicky Nurrish
MMLSC Social Coordinator

Master's Report

The Mount Martha Masters group made many valuable contributions to the ongoing success of the club this year, including:

- Providing a vehicle for like-minded people to gather and share some exercise on Wednesday nights and various other sessions,
- Providing the core of many patrol teams,
- New and ongoing social contacts,
- Opportunity for training for those seeking to improve competition skills.

Numbers attending on Wednesdays remained fairly stable, ranging from 12-20, and the focus continued to be as much about participation as competition. Swim/board/ski sessions also occurred on Saturday and Sunday mornings. Experienced and novices alike remain welcome with little expertise required. Any experienced club member can provide some perspective on what we do.

The Lorne State Masters Championships again proved a popular and enjoyable carnival, though with reduced numbers. Members will need to ensure sufficient patrol hours are accrued to be eligible to compete next year. There were many individual and team medallists along with those who contributed important team points. The Mount Martha officials deserve our heartiest congratulations for their efforts on the day.

In the off-season, pool swim training sessions occurred on Tuesday evenings at Peninsula Grammar under the tutelage of Colin 'Shuggie' Shugg. These proved popular and were a good way to maintain swim fitness. Vanessa Wootton continued to generously provide Pilates training on Wednesday nights.

All appropriate club members are welcome to attend next summer season each Wednesday night from 6 -7:30pm from the start of daylight saving. If you like the idea of having a run on the sand, a paddle on or a swim in the sea, then come and give it a try! - all the while enjoying the supportive atmosphere provided by your peers. No prior craft skills are required though a willingness to get wet is expected.

Following the next AGM, the Masters coaching structure is likely to change with the possible introduction of a coaching co-ordinator who supervises a rotating roster of coaches/trainers.

If you are considering coming along next season and would like to know more about what we do, contact the coaching co-ordinator at masterscoordinator@mmlsc.com.au.

Scott Fifield
MMLSC Masters Coach (now retired!)

Iceberger's Report

The Mount Martha LSC Icebergers celebrated swimming through their 10th winter and in so doing added a record 13 new Icebergers to their number – now officially 67. This was no doubt due in part to the clubs' new and vastly improved facilities. As usual the water temperature dipped below 10°C for a while, but somehow it didn't seem so bad this time; owing to the luxury and safety of having steam rooms to re-warm in.

As a group, swimmers met at 8am on most Saturdays and Sundays throughout the year (not just over winter), and smaller groups swam on most mornings mid-week. To adequately prepare swimmers for the winter season ahead, we distributed our new "Cold Water Swimming @ Mount Martha" booklet as the temperature started to drop, and followed this with our pre-season 'Information & Challenge' dinner. Our expertise was also called upon by the Navy. For the second year we worked with a group of HMAS Cerberus recruits to enable them to experience 'cold water swimming' safely, in the depths of winter.

A social program included monthly Sunday breakfasts, weekly pilates, bridge lessons, coached pool sessions, fundraising events, the odd full moon swim, the annual Lorne winter pier to pub hosted by the Brighton Icebergers, and lots of coffees. The pinnacle of the season was the 10 year anniversary dinner, attended by 70 people including numerous 'old' Icebergers who we hadn't seen for some time; quite a nostalgic occasion with lots of photos and video clips. This event doubled as our 2016 presentation night.

During the warmer months, most Icebergers simply became regular club members thoroughly involved in regular club activities; patrolling, instructing, administrating, coaching, competing, fundraising, helping with the MMAD swim, and any number of other wider club activities.

Kaye Jarrott
MMLSC Icebergers Coordinator

MMAD Swim Report

The 2017 MMAD Swim is the 21st time the swim has been held.

As the coordinator I am very proud of this event and believe quite strongly that it is a very important part of our club calendar. Apart from it being a great way to celebrate Australia Day it is also a great way to get involved in the club. This event is probably the only club event that combines all areas of our club to a high level. We have members of the Icebergers, Nippers, Seniors, Masters, Patrolling Members, Past Club Members, Life Members, Committee, Directors and friends, parents and extended families. In addition we have our local community involved through our well coordinated sponsorship program, shire or utilising local businesses.

The MMAD Swim is also an opportunity for us to highlight some of our talent within our members for example:

- Emma Shanahan - Ambr Designs. Emma is the very talented designer behind our unique shirts and branding. We are very fortunate to have Emma's services free of charge and her shirt designs will become collector items as her talent becomes recognised more widely.

- Poppy Cook - Each year I am amazed at how we seem to be able to get another club member to volunteer to sing the National Anthem. Each year our singer wows the crowd. This year Poppy was no exception to this and sang beautifully. I am looking forward to when we can get a couple of male members to sing the anthem!!!

- Mitch Randall - A lot of kids are getting drones and flying them around but to be able to combine that with excellent video footage and clever editing ensures that we ended up with a very creative record of the 5km swim.

The swim is always noted for club members who do the same job every year, mainly because they do such a fantastic job and they also enjoy contributing to the day in this way eg:

- Craig Hood - a life member of the club who now lives in Manly is a former coordinator of the swim and he continues to have a lead role by coordinating the on line registration from up north. His diligence to this task ensures that our swimmers continually return to us as their needs/concerns are being followed up by Craig.

- Phil Shanahan coordinating the water safety.

- Craig Dullard marking the course.

- Darryl Hartwig organising the markers, setting up the start finish line and marshalling everyone at the start line.

- Estella Crozier coordinating all of the food for sale from the canteen but more importantly organising the egg & bacon rolls for the MMAD Crew.

- Vanessa Wootton with her diligence with merchandising.

- Ray Flanagan with all of the administrative compliance including completing LSV risk assessment and notifying various authorities.

MMAD Swim Report

- Lindie Hartwig for registration coordination.

- Jodie Shanahan organises the trophies each year without fuss.

- Ex club president John Harvey coordinates the beach set up in the morning and ensures that everything is ready to go well before race 1 at 8am. He usually has started the set up in the days before the event which ensures that it runs smoothly on the day.

- Dr Scott Fifield is always on hand to be the medical officer on the day and he not only attends to those in need but he also ensures that our budding medical professionals Tara Jackson and Ellie May Maguire are ably coached and supported.

- Maria Harvey coordinates the sponsors & helpers lunch each year. It is always well catered and appreciated by all.

- Kaye Jarrott is our coffee coordinator and certainly prevents a caffeine crisis for those on the beach!

- Sarah Hilli coordinates the finish line and supports the MC at the race presentations. This has become very slick as we try to get through the 14 waves and make the presentations accurately yet in a timely fashion.

- Jackie Jackson does a great job with swimmer refreshments and all competitors comment on how well we do this.

This year we had some people take on leadership/coordination roles for the first time and proved to be quite excellent replacements:-

- Grant Gibbs replaced Ray Flanagan as the safety officer for the day. His teamwork with Phil Shanahan ensured that we had all water safety issues dealt with efficiently and all races were conducted safely

- Brendan Randall replaced Darren Hood as our official starter and was very efficient.

Getting members to volunteer for the various MMAD Crew teams/rosters is a very difficult job. This year Leah Andrews did it and she was very successful at it, completing or filling all rosters. This job is so crucial as not only does it secure the smooth running of the day it also helps future proof our swim by introducing new members to the MMAD Swim event organisation.

Paul Galvin took on the also very difficult job of pack up coordinator. It was done very well and with a little tweaking will be even more successful next year when he takes on the role again!!

Attracting sponsors to this event and then ensuring that they get value for money is important to our reputation as a feature swim. Andrew Cook did this job this year and ensured that the Tackleworld 5km, Bentons Rd Vet Nipper and Novice and the Engine 1.2km swims were appropriately marketed and promoted.

Sally Davis via Progress Signs has done a brilliant job of upgrading our MMAD Swim Honour Board - just have to hang it now!!

MMAD Swim Report

Bec Gibbs has been checking out our Facebook page and updating it and our website so that they were current and had the latest information. Bec will be the one to ensure that the race results are added to our website.

As well as all of the helpers/coordinators mentioned I would also like to congratulate each and every one of the club members who helped on the day in some way either directly as a member of the MMAD crew, as a member of the very important water safety team or assisting via the rosters. If this was your first time helping it would be great to see you come back again next year but this time bring 2 or 3 of your friends.

This year we used geosnapshot.com.au as our official photographer. You can get a look at all of your photos via this website.

If you have any suggestions for the 2018 swim please email them to me mmadswim@mmlsc.com.au . I will be collating all feedback and including it as part of a report to be presented at the next committee meeting.

All results for the swim are posted on our MMAD Swim website with a link to Tomato Timing's website.

Looking forward to MMAD Swim 2018.

Andrew Felsinger
MMLSC MMAD Swim Coordinator

Active Membership Report

This season all members of MMLSC were required to be active members and to contribute to the running of the club in at least one area. Members have actively contributed to the community of our club, ensuring a successful 2016/17 season and also enabling the club to efficiently and effectively run many events throughout the season.

The club provided a diverse selection of active member options throughout the season. These included, but were not limited to; committee members, patrol members, coaches, age group managers, carnival personnel, canteen assistants, Friday night dinner helpers, Highway collection, MMLSC Nippers Carnival, MMAD swim and working bees.

The wide variety of active member options ensured members were given the opportunity to fulfil their active member duty. Active member options required a range of skills to suit all members (a high level of skill to beginner skill level), were held at various times and days throughout the season and varied in the amount of time required.

Thank you to all members that contributed to the club and volunteered their time to complete their active member duty. It is truly a rewarding experience to be able to give back to the club that provides such a fantastic community service.

This season there was a concentrated group of members that volunteered their time and skills, over and above their active member requirements. Without these members, the running of the club and the events held in the season would not have been so successful. A very special thanks goes out to these members.

Leah Andrews
MMLSC Active Membership Co-ordinator

Highway Collection Report

The 2 highway collections held in October & January are major fund raising events for the club.

Over the two events we collected $14,816.00.

Thank you very much to all the members who volunteered to help & did an amazing job. A slightly smaller number of participants this time round which is reflected in the final financial figure.

Vanessa Wootton
Highway Collection Coordinator

Merchandise Report

It was another great start to the season. A hectic one as usual but this year made a bit more intense as we offered stock at reduced prices for the first 2 weeks. So this added to the mayhem as we had to get our heads around different prices as well as advise our helpers. Moving into the big function room and all hands on deck helped a lot. We had plenty of stock but with a few cold Friday's to start, we soon ran out of some sizes in hoodies, however they were quickly replenished by our great suppliers Blue Gum and Advanced Promotional Wear. We didn't end up selling too many more due to beautiful Friday evenings, which we were so lucky to have this season. After the first few weeks sales on other merchandise items was slow again this year. Its probably time to review stock items and levels moving into the future.

The purchase of our own Eftpos machine this year was a great help and was made even better when pay wave was added thanks to Narelle from Bendigo Bank. It has benefited the club in many ways not just in merchandise.

A big thank you to Jodie Jablonski, for helping me out on Friday evenings and also thank you to anyone else who has helped me out on some of those mad nights.

Maria Harvey
MMLSC Merchandise Coordinator

Club Hire Report

This being our second year with our new clubhouse, we have had great response to hire our club for many functions. Hosting over 15 functions over the last year with over 50 enquiries, which we cannot accommodate all due to our own busy lifesaving program and patrol season.

The club has hosted weddings, Mt Martha Football Club presentation, community meetings, 50th birthday celebrations, sponsor meetings, several patrol and member functions as well as our school beach program. We also had Emma Clarke run a winter boot camp 3 mornings a week free for all members, which was a fantastic success.

Our income for club hire was $4,612 for the 2016/2017 season.

We have had very positive feedback from our function holders on the fantastic facilities and amazing beach views. We are very fortunate to have such a wonderful lifesaving club for our members and local community. A big thank you to Lorraine Stuart and staff for running the bar at all our functions.

Julie Marshall
MMLSC Private Club Hire

Friday Night Dinners Report

The 2016/17 season saw Friday Night Dinners take off to the point where most weeks dinners were sold out. it was great to see so many people enjoying the great facilities and getting back that community feeling that we lost a little when we went a season without clubrooms. With the bar open, quality dinners available, a movie on for the children to watch after nippers, many a relaxed and enjoyable time was had on a Friday night. Thanks to all the helpers over the season, we are all volunteers and couldn't do it without the help. Please remember to help pack-up when you leave, it is your clubhouse and many hands make light work.

Jackie Jackson
MMLSC Friday Night Dinners Co-ordinator

Membership Report

The 2016-2017 season at Mount Martha Life Saving Club saw 897 members participating and developing skills and fitness. This was a decrease of 15% consistent with the previous year.

Category	Total Members	Male Members	Female Members	2015/16 Season	Retention Rate
Junior Activity Member (5-13 years)	311	157	154	408	76.23%
Cadet Member (13-15 years)	32	16	16	35	81.43%
Active (15-18 years)	26	10	16	31	83.87%
Active (18 years and over)	99	56	46	121	81.82%
Award Member	10	5	5	5	200%
Associate	397	174	223	438	90.64%
Life Member	14	7	7	14	100%
Honorary	8	4	4	1	800%
Total	**897**	**429**	**468**	**1053**	**85.19%**

The large increase this year was in the Honorary membership type, this was due to the implementation of the Starfish Nippers group who were offered membership at no cost.

The Membership team was Sarah Hilli, Mark Prendergast, Leah Andrews and Tara Burrows. The group met a couple of times a week during the membership period to process the renewals and new members, and were available to help any renewing or new members who needed a hand getting the process completed.

The new Family Group was fantastic and really cut the time involved in renewing. To check if you have a Family Group set up, or to create one before renewal time, simply go to www.portal.sls.com.au click the Life Saving Online tab, then My Family. Once your Family Group is set up, you can renew all your family members using the one username and password with just a few clicks!

Sarah Hilli
MMLSC Membership Coordinator

Sponsorship Report

This year we have taken a slightly different approach to sponsorship with a Premium Sponsorship Package, seeking industry specific sponsors whereby sponsors are the only business in their sector. In return we have allowed businesses to communicate with members via MMLSC Facebook in addition to other benefits. This was charged at $2200 with additional sponsorship offered for particular team/ program support.

It was considered important to have some sustainability to the program that delivered some value such that they would not want to give up their industry spot next year. 10 Sponsors were signed on this program. Including additional team sponsorship and sponsorship raised for the MMAD swim, MMLSC was able to net in the vicinity of $27,000 which was marginally less than the preceding year, however the club did lose the support of major sponsorship ($15k) from Medibank.

I would like to thank the following sponsors that have partnered with our club this season and encourage members to use their services where possible:

Warlimont and Nutt Real Estate
