SPONSORSHIP

Sponsorship Report

Janelle Curry

The Mount Martha Life Saving Club (MMLSC) would like to express our heartfelt appreciation for the unwavering support of our sponsors, especially during the rollercoaster ride of the past three years.

Thank you to the following sponsors:-

Warlimont & Nutt (Nippers) - Trent and Fergus from Warlimont & Nutt have been by our side for over two decades, fueling our Nippers Program with their incredible support. We are forever grateful for their enduring commitment.

Croft Wootton Construction (Icebergers) - Nick and Vanessa Wootton have been apart of the MMLSC community for over 15 years, both as sponsors and active participants. We appreciate their long-term dedication to MMLSC and the Icebergers.

Volpino (Masters) - David, Simon, and Nathan have been fantastic hosts at their venues, Volpino & South Beach Project, and their sponsorship has been instrumental in supporting MMLSC and the Masters. Thank you for your ongoing generosity!

Peninsula Foot Clinic (Seniors) - we want to express our gratitude to Andy Cook. His continued support of MMLSC and the Seniors this season has been invaluable.

Books 365 - Luke has been a dedicated sponsor of our club for over five years, and we genuinely appreciate his unwavering support and loyalty.

Educatable - Thank you to Janelle for your three years of sponsorship. We are thrilled to continue this partnership and make a positive impact together.

We also welcomed three new sponsors this year who we were very grateful to welcome on board.

Southern Cross Canvas - Thank you to Nick for joining our sponsor family. We are excited about the future and the partnership we will build together.

Peninsula Boat Training - A big thank you to Michelle from Peninsula Boat Training for coming on board to support our Surf Boat Team. We greatly appreciate your contribution.

Bendigo Bank Mount Martha - a warm welcome to Gary and the team at Bendigo Bank Mount Martha who have provided a very generous donation towards our new Side by Side Vehicle. Thank you for your immense support.

A very sincere thank you again to all our sponsors for their generous financial support. I would like to encourage all our MMLSC members to support these businesses who have, year after year, generously given time and financial support to our club.

PRESIDENT'S REPORT

Steve Wishart

Dear members,

Thank you all again for your service, commitment and support throughout the season. We continue to grow as a club, offering an ever-expanding diverse range of opportunities to engage. The dedication and passion of members underpins what we have on offer and contributes to the community feel of our club. The previous year has seen more outstanding results and emerging services which have contributed to strong membership growth post COVID interruptions. This year has been one of innovation and excellence. We have trialed new ideas, expanded contributions to decision making and broadened access to professional services for members.

Patrol is fundamental to our club. Rescues and preventative actions taken throughout the summer season provided a safe environment for both locals and visitors to our beach. Our presence and public engagement on the beach was strong, promoting safe choices and our club. Increasingly, a broader range of members joined our patrolling ranks, contributing to the strength and depth of teams. We welcome further engagement next season and encourage parents and new members to consider training for and joining our patrolling team. Without patrol, there is no club. Fundamentally, we are a volunteer based community service which provides emergency response when and where required. I'd like to thank and acknowledge the work of the Patrol subcommittee, including patrol captains, vice captains and their teams and all involved with training and assessment for a success season.

Nippers expanded to include Friday night and Sunday morning sessions. We further included coaches to support the program and the Nippers team worked hard to promote Friday evenings. The atmosphere around the club on a Friday night was outstanding, with the bar open, fantastic food and great music. We hosted a very successful carnival at the club with over 750 competing Nippers in attendance, including a performance from one of our local dolphins. Our Nipper sessions were once again well attended with 300+ children participating. This was added to by our outstanding starfish Nipper program which again provided a valuable opportunity for member families. The beach looked amazing with so many Nippers, coaches and parents participating. We also introduced Nipper board sessions for competition qualified Nippers. We hope to further expand options next summer. Once again, I'd like to thank the Nipper Subcommittee, starfish Nipper volunteers and all parents who contributed in various roles throughout the year.

PRESIDENT'S REPORT

Steve Wishart

Seniors and Masters once again ran very successful programs throughout the year, both catering for serious competitors and social participants alike. What better way to keep fit, than to join one of the many sessions we had on offer throughout the summer season. This year we invested heavily in professional coaching, assembling one of the beach coaching teams in Victoria. We have specific beach, swimming, board and ski coaching available for all senior, masters and parent members, in addition to dedicated senior and masters training nights. Adding to the mix this year was the introduction of surfboats. We have a great team of interested participants getting involved in rowing, most of which are very new to the sport. The Seniors Team continue to climb the rankings at Victorian state level, whilst our Masters team finished 2nd in the state. We'd love to have more parents involved in Masters next year to build further depth. It's such a fun way to get involved with the club. No need to be a superstar. We are already planning for the next season and we'd love for you to be involved. I'd encourage all members to examine the positions on offer and see where you may best contribute. Please ask if you have any questions. We'd love to have you on board with us.

Warm regards,
Steve Wishart
President MMLSC

FINANCIAL REPORT

Independent Audit Report

To the members of:

Mt Martha Lifesaving Club

SCOPE OF AUDIT

I have audited the special purpose financial report of the Mt Martha Lifesaving Club for the financial year ended 31st March 2023.

The Management Committee is responsible for the preparation and presentation of the financial report and the information it contains and has determined that the accounting policies used and described in Note 1 to the financial statements which form part of the financial reports are appropriate to meet the requirements of the Associations Incorporation Reform Act 2012 and are appropriate to meet the needs of the members.

I have also conducted an independent audit of the financial report in order to express an opinion to the members of the association on their preparation and presentation. No opinion is expressed as to whether the accounting policies used, and described in Note 1, is appropriate to the needs of the members.

The financial report has been prepared for distribution to members and to satisfy the reporting requirements of the *Associations Incorporation Reform Act 2012*. I disclaim any assumption of responsibility for reliance on this audit report or the financial report to which it relates to any person other than the members, or for any purpose other than that for which it was prepared.

AUDIT OPINION - UNQUALIFIED

In my opinion the financial report presents fairly the financial position of the Mt Martha Lifesaving Club and the results of its operations at 31st March 2023 in accordance with Australian Accounting Standards.

19th May 2023

The Secretary
Mt Martha Lifesaving Club
PO Box 462
MORNINGTON VIC 3931

Dear Committee Members

Re: Mt Martha Lifesaving Club

I have carried out a comprehensive audit of your accounts. I am satisfied that the attached Profit and Loss Statement and Balance Sheet which has been prepared from these records reflect a true and fair view of the financial position as at 31st March 2023.

Auditors Recommendations

Once the audit has been completed, the year should be locked off, so no alterations are able to be done by any parties using the data file. This ensures that the information is consistent each time the audit is done.

The club should consider altering their financial year to bring it in line with the Taxation year. This would help with the flow of information for areas of reconciling such as eg; wages and super and so forth.

The audit indicated that you are maintaining the accounts in a manner that complies with the Associations Incorporation Regulations 1998.

I have also attached our invoice for the service rendered.

Thank you on behalf of Skeats Auditing the opportunity to supply the audit.

If I can be of any further service, please don't hesitate to contact me.

Yours Sincerely

Ms Jeannette Skeats

ADMINISTRATION

Membership & Inclusion Report

Natasha Hartley-Jackson

Membership was very successful this year with a total of 1052 members to be processed, 352 new members and 700 re-joining, over the 2022-2023 season. This is a huge task for our membership team, and I would like to thank our subcommittee and Lauren, our administrator, for their hard work. There was only one option of Active Membership this year, which we understand can be daunting for busy families, but this is an important aspect of our club run by volunteers who also have full time jobs and families – we need to share the load. Many people rose to the challenge and have become more involved via their active roles, and I know most would say their families have enjoyed this far more than they ever expected and built a wonderful support network within the community. Evidence has shown that people who volunteer are happier and have improved mental health, so the benefit is mutual, and we always appreciate your contribution! Active roles are here to stay so please consider your role for next season and, if at any point you are unsure, reach out to the membership team and we can point you in the right direction. The exec and committee are always happy to help and support.

We also introduced our reduced membership rate for patrollers this season. Patrol is our core purpose, and our beach goers rely on us, so please consider doing a Bronze, SRC or ART course (there is usually a course suitable for most abilities and all training is supported by MMLSC/LSV) and joining one of our patrol teams for next season.

This year has seen the arrival of our two beautiful new Pride lifesaving boards from Life Saving Victoria helping us raise awareness of LGBTQIA+ members in lifesaving and across all sports. We also had our Pride patrol, which was run by patrol captain, Ruby Lines-Perrier, where we enjoyed rainbow cupcakes and flew our rainbow flag high to spread the message that anyone is welcome at our club. On Sunday 5th February, three members, including myself, also attended the Midsummer Pride March in St Kilda as part of LSV and marched proudly alongside other emergency service personnel who are passionate about Inclusion. This was an incredible experience which we will be repeating so please contact me if you are interested in joining next year. We also held our first Safe Talk workshop run by Mick Simmons at Mental Health Safety Net which focuses on suicide prevention. Twelve members attended this talk, funded by the club, and found it very engaging and informative. We will collaborate further in future with this charity.

Please reach out if you have any feedback or ideas about Diversity and Inclusion events for next season or if you would like to be more involved.
See you on the beach.

ADMINISTRATION

Communication Report

Tara Godden

Taking on the Marketing & Communications role for the 2022/23 season, our team had a large focus on promoting our club and all the activities, events, social nights, training (and more) to our members and the wider community. You may have noticed a shift in our social media communications, as well as fantastic information through our club newsletter and a huge push to engage more with TeamApp. Overall, our engagement online has grown and we have seen a larger number of members able to engage in areas of the club they previously had not been aware of. We would love any feedback you may have in this area. Have you noticed a change? What would you like to see more/less of in our marketing and communications space for 2023/24 and beyond?

IT Report

Simon Tate

'Little to report on the IT front, a quiet year is a good year. Continuing to ensure that the clubs IT system support the various MMLSC committees and its members whilst also providing WiFi access for the club'

Club Hire Report

Lauren Gibbs

The success of club hire at MMLSC has been nothing short of remarkable! After two challenging years due to the pandemic, we're thrilled to have had a fantastic season. The response has been overwhelming, with a plethora of enquiries and bookings flooding in.

This year, we decided to embrace the summer vibes fully and opened up the club for bookings throughout the entire season. As a result, we hosted a series of fabulous events on Saturday nights, creating a vibrant atmosphere that brought everyone together.

To enhance the ambience, we adorned our function room with enchanting fairy lights, transforming it into a magical space. The room has never looked better!

We owe a huge thank you to Nick McCulloch our Bar Manager and Kayley Ward assisting in this role throughout the season, for their dedication in keeping the bar fully stocked and staffed. Their efforts have ensured that our members and guests always have a great time.

With numerous bookings lined up for the winter season and an upcoming wedding on the horizon, we can't wait to see our club bustling with activity. Let's keep the momentum going and continue to make the most of this wonderful space together!

LIFE SAVING OPERATIONS

Club Captain Report

Chris Quinn

We would like to thank all the Lifesaving Operations team for the hard work they have put in to helping keep the club running during the 2022-23 season.

Member Name	Role
Lucy Mowat	Patrol Captain
Bern Mooney-Wilde	First Aid Officer
John Harvey	Patrol Gear Steward
Max Lee	IRB Captain
Tim Dodd	ATV/SSV Captain
Shane Dawson	Radio Captain

Also to our Patrol Captains who have tirelessly ensured we fulfill our patrol obligations and who have continued to lead and mentor our patrolling members

Member Name	Team
Phil Shanahan	Team 1
Liv Randall	Team 2
Ruby Lines-Perrier	Team 3
David Mowat	Team 4
Barrie Hartley-Jackson	Team 5
Ang Illiopoulos	Team 6
Shane Dawson	Team 7
John Harvey	Team 8

Each team member took great responsibility to ensure the various components of our patrol operations functioned well and they all contributed to a successful patrol season.

Some of the Patrol Operation highlights were:

- 162 active patrolling members
- Delivering 5,800+ cumulative volunteer patrol hours for the season
- Maintaining a patrol sub committee to ensure good governance and effective operations
- Successful completion of the Annual Gear Inspection
- Providing a Patrol Outpost at South Beach & roving patrols
- Nominating Deputy & Junior Patrol Captains each patrol – to encourage less experienced patrol members to take on more responsibility and leadership
- Qualified 30+ new Bronze Medallion and/or Surf Rescue Certificate holders
- Performed 5 rescues, 1 major first aids and 1,111 minor first aids

Thank you, Lifesaving Operations Team, Patrol Captains and patrol members you have been awesome at protecting the community this season!!

LIFE SAVING OPERATIONS

Patrol Captain Report

Lucy Mowat

I would like to thank each and every one of our patrollers that volunteered their time to help keep our beach safe this season. Your efforts do not go unnoticed, the community and MMLSC are grateful for your commitments.

The 2022/23 patrol season kicked off with our first ever Captains' Patrol. Patrol team captains, vice captains, emerging patrol leaders and our life saving operations team attended the day. We have introduced this initiative to help us ensure that all team captains and vice captains are up to date with new processes introduced by LSV, it also helps to make sure that each team is operating in similar ways.

This season saw LSV introduce the Low Patronage Patrol (LPP) initiative to the Pre-Peak and Post-Peak periods. An LPP patrol can be triggered on days where the weather forecast is below 22 degrees and not during the peak season. This initiative means that only two patrollers need to patrol, because the poor weather and time of year mean that our beach attendance will be low. Our teams used the LPP initiative during March and April of this patrol season. We've found that it works perfectly for our patrol teams and ensures that our volunteers' commitment reflects the needs of the community.

A special thanks to the trainers and assessors who helped qualify, upskill, and re-qualify our patrollers this season, without you we wouldn't be able to help keep our beach safe. This season our trainers and assessors qualified 4 new SRCs, upskilled 7 SRCs to their Bronze Medallion, and qualified 19 new Bronzies. We also had lots of patrollers upskill by attaining new awards. This season our trainers and assessors qualified 9 new IRB Crewpersons, 5 IRB Drivers, 6 new SSV Operators, 13 new ARTFA awards and 3 Silver Medallion Patrol Captains. The Silver Medallion Patrol Captain award was introduced this season to ensure that patrol team captains are equipped to handle complex scenarios that may arise whilst on patrol.

The 2022/23 patrol season spanned 26 weeks, 67 patrols, and 3,835 patrol hours completed by 152 volunteer lifesavers. We struggled with poor water quality and weather conditions in the beginning of the season. Thankfully the weather improved in time for Christmas, and we had a great run of weather for most of the season. This season our total recorded beach attendance was 161,830 and our patrollers recorded five rescues. Overall, MMLSC had a successful patrol season.

Thank you again to all of the life savers that volunteered their time to keep our beach safe this season. See you on the beach!

LIFE SAVING OPERATIONS

Education Report

Leah Andrews & Pam Mowat

Mount Martha Life Saving Club's Training, Assessment and Facilitators (TAF) team have supported our members this season with many opportunities to gain new awards and update current awards through skills maintenance sessions.

The season began with a combined Bronze Medallion (BM), Surf Rescue Certificate (SRC) and Bronze Medallion Bridging (BMB) Course – what a way to begin! This was the first season of the new BMB course, with 8 members upskilling from SRC to Bronze. In addition, we welcomed 12 new Bronze award holders and 4 new SRCs. Congratulations to them all! This course involved many of our TAF team and we thank them all for their time, skills, and dedication during training and assessment of the candidates.

This was only the beginning of a big season for the TAF team. The team also ran 2 IRB driver & crew courses, 6 Resuscitation courses, 1 Advanced Resuscitation Techniques & First Aid (ARTFA) course and 2 Side by Side Vehicle courses.

Additionally, to this, the team ran 6 skills maintenance sessions from October through to end December including our ever-popular session for our Seniors group. These covered all awards (SRC, Bronze, IRB crew & driver and ART). Unfortunately, due to the poor water quality we were unable to complete the water components before the end of December 2022. LSV extended the re-qualification period for current award holders until the end of January 2023, so we held a further 2 sessions to ensure everyone's awards were current.

Award Name	No. of New Awards	No. of Skills Maintenance
Surf Rescue Certificate	4	15
Bronze Medallion	19	110
ARTFA	13	29
Side by Side Vehicle	6	41
IRB Crew	9	45
IRB Driver	5	29
Silver Medallion Patrol Captain	2	n/a

A challenge for next season is the introduction of the new Silver Medallion Patrol Captain's award – this will be rolled out across our patrol teams with Captains & Vice Captains given priority.

LIFE SAVING OPERATIONS

Education Report

Leah Andrews & Pam Mowat

We would like to thank and acknowledge all the members of the TAF team this season:

Leah Andrews	Mark Cornish	Sheryl Cornish	Dylan Craig	Craig Dullard
Tara Godden	Carolyn Golotta	John Harvey	Peter Langdon	David Mowat
Craig Stoodley	Nick Wootton	Vanessa Wootton		

We would also like to welcome Tanya Brown and Charlie Lines-Perrier to the team – they have both completed their Training Officers Certificate course and will become trainee trainers with us. Tim Dodd, Natalie Howard & Leanne Jack are all attending TOC courses with LSV and will also join our training team next season.

Most importantly the TAF team would like to thank and acknowledge Pam Mowat, Chief Instructor, for all her work with each and every course and each and every member who has participated in a new course or skills maintenance session this season.

SSV Captain Report

Tim Dodd

The SSV is in good running order.

I have serviced and repaired the SSV during the year following the service guide lines.

Thanks to our patrol teams for washing down and clearing all the sand from in and around the vehicle. Placing on the battery charger has also kept the battery in good work order this year.

This is the last year for our SSV with the new one due in June 2023.

We have had the SSV since 2018 clocking up 350 hours of use and 1795km.

This year the SSV did 49 hours and 248km and used around 80 litres of fuel.

Look forward to doing it all again next year

AQUATIC SPORTS

Nippers Report

Natalie Howard

After running two successful weeks of holiday programs it was time for the big dance. 300 nippers lining up at 5:15pm Friday 5th January - what could possibly go wrong?!?!?

Thankfully nothing!! Even the weather gods blessed us this season!! With the occasional visit from our local dolphins to add to the delight of all.

This season we trialed a few new components of the program.

1. All age groups trained at the same time
2. Introduction of Friday family night dinners
3. Age group coaching teams - 3 members of MMLSC seniors

While this document goes to print, I'm busy collating the amazing feedback from the end of season survey. More on this to come, but overall we have 99% of nippers returning next year. So that fact alone tells me that we have a varied program where there is something for everyone, whether it's beach games, flags, boards, swim or even playing on the beach with their friends at Friday night dinners! The program once again has been supported by a small but effective team. As our program continues to grow and expand we are certainly going to need to grow the active group on the committee to ensure we can continue to deliver our lofty goals to be the best nippers program in the country.

Over the winter months we will be inviting active parents to share their thoughts and look at where we can continue to improve and offer avenues for all nippers to get the best out of our wonderful beach and facilities. Thank you again to everyone in the club who has supported the program and offered support to me personally, as taking on this role as a new member of the lifesaving club! There is no turning back now

This year we continued to build on the successful running of last seasons holiday program. We made a few changes and for this season we ran two programs both 3 days in length. We had approximately 50 nippers attend each week - and many repeat week 1 nippers as they enjoyed it so much!

The Nippers were dived into 5 groups and stay with their coaching team for the 3 days. Our coaching team consisted of 3 coaches from MMLSC seniors program which not only was beneficial for the nippers but also provided a wonderful learning and development opportunity for our seniors to not only share their first hand life saving experience but also support their own development.

The program was supported a small cohort of active parents who were more than willing to lend a hand with the bbq duties or getting involved in the activities with their nippers.

We can't wait for next summer already!

Nippers

AQUATIC SPORTS

Starfish Nippers Report

Sarah Hilli & Julie Marshall

Our 7th Season of Starfish Nippers at MMLSC was amazing! We had 19 Nippers this year which was amazing. Every single Nipper returned from last year, and we welcomed new members Sam, Cruz, Michael, Archer and Liam.

This meant we had to grow our team, so we welcomed Sophie Macleod, Jenny Traeger-Haig, Georgie Dymond, Connor Brown and Paula Lindsey to our awesome team which included Lisa Davies, Tayla Davies, Deb Barke, Matt Barke, Warwick Hilli, Maria Harvey, Gina Satore, Sheryl Cornish, Clive Aaron, Justine Lucas, Julie Gale, Matt Graves, Flynn Davies and Gary Marshall. Our amazing team of helpers make our Starfish Sessions so much fun.

With such a large group of Nippers we created three sub groups which allowed us to tailor the program to the abilities and interests of each group. We think they worked really well and enjoyed watching our Nippers try new activities and extend their skills.

This Starfish Nipper carnival returned to Hampton Life Saving this year after Covid prevented it running the last couple years. We had 11 Nippers attend the event with Starfish Nippers from 25 other clubs.

The Starfish Nipper parents are wonderfully supportive, we are grateful for the effort they make getting their Nipper to the beach and for letting us have such a fun time with their child/ren.

We look forward to continuing our program next season and hope that all our Nippers return, for an even better season in 2023/2024. ☺

If you are interested in learning more about our group, or becoming a helper, please email starfishnippers@mmlsc.com.au We are always appreciative for extra people helping out.

Sarah Hilli and Julie Marshall

AQUATIC SPORTS

Aquatic Sports Director Report

Andy Cook

This year was a successful year for MMLSC and Sport, providing opportunities for all members. Whilst this report is focused on Training and Lifesaving Competition, our Club will continue to flourish for our core function- patrolling, with an emphasis on Competition. Mount Martha LSC has a great competition culture from the Youth getting the SRC through to some of our great Masters who still value friendly competition as a part of their healthy lifestyles. What I hope for Mount Martha LSC is to maintain this amazing team culture as an entire club

- **Recruitment of Coaches** : Swim Coach Jack Waterfall, Beach Coach Carly Platt, Caroline McGill – Boards Coach and Cameron McGill as Ski Coach. This significant investment in a great coaching team has provided a foundation to build strength in our competition teams.
- Training sessions starting in July with Swimming initially using YAWA, Pelican Park and continuing at Mornington Secondary funded for members has been fantastic with sessions attracting good numbers .
- Carly has been awesome with strength and running sessions twice a week from July to February.
- Caroline’s Board training sessions were really well attended – Seniors , Masters and also enthusiastic group of Nippers.
- Cameron McGill brought in for his Ski Training expertise has been fantastic to have onboard with many members new to ski and others having their technique refined . Cam’s Iron sessions early Tuesdays in the peak comp season were hard work.
- Grant Gibbs has continued to provide great opportunity with strength and conditioning on Friday mornings.

Through out the year we have tried different things and I am certain the coaching team with a season of experience at MMLSC will offer a structure next year that will appeal to the entire membership and new members seeking a great club. Next year I feel we can promote the training schedule earlier and attract a wider cross section of our members.

Season Highlights

- Lorne Pre season Surf Camp attended by over 50 members
- MM Gold – a multi Event race that we would like to grow further
- Cape Paterson – Seniors Surf Camp and Patrol
- Manly Freshwater Carnival – a Road trip for 5 of our competition seniors with Caroline
- Gunna and Pt Leo Surf sessions with Caroline
- Seniors versus Masters night was spectacular- Thanks to Andrew Felsing for supporting this !
- Coaches assisting at the Carnivals
- Masters Champs – Lorne
- Surf Craft Restoration with Steve Hofer
- Launch of Surf Boats at MMLSC !! - see report from Steve Hofer
- Post Training BBQ’s
- Briars Movie night

AQUATIC SPORTS

Aquatic Sports Director Report

Andy Cook

Thank you to all our Specialist Coaches for going over the top to provide training opportunities – Jack, Carly, Cameron, Caroline and Grant.

A massive Thank you to Seniors Manager Deanne – for your coordination logistics and assistance promoting our Program

Thursday Night Seniors Training - thanks to Steve Wishart for leading the coaching team! Pete Johnstone always available to step in as well. We had other Members step in when asked as well for training – Harvey and Hoody!

Getting athletes Carnivals in great numbers means support from Officials, Powercraft and other water safety. This year Mount Martha was a huge contributor to the Logistics at LSV carnivals and I am not going to name all that volunteered needless to say we did our bit – at the Anglesea Carnival we had almost the entire Powercraft team!

The Members that do need a mention for extraordinary support of our carnivals in the most senior LSV Roles :

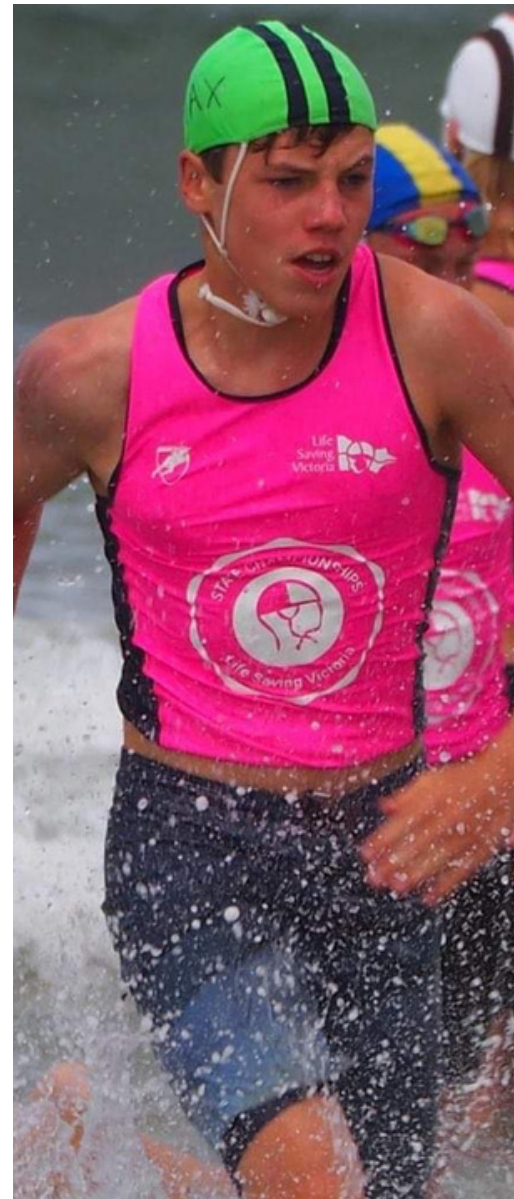

- Kaya Cook as LSV Safety and Emergency Coordinator (SEMC)
- Craig Dullard as Power craft Coordinator for LSV
- Ange – as First Aid Coordinator
- Jackie and Ian, Pete, Ron - always available !

Lots to look forward to in 2023/24 – More opportunities for all Members !!

AQUATIC SPORTS

Seniors

AQUATIC SPORTS

Masters Report

Kayley Ward

We approached the 2022/2023 season with a no cancellation policy. The dedicated athletes were prepared to brave all conditions as long as we were rewarded with a fun social dinner and sunset afterwards.

There were a few magical evenings on the deck watching the sun slip below the horizon. Culinary skills remained high with wonderful salads and desserts.

On the whole the weather for the season was favourable. Each week we commenced the session with some beach warm up activities followed by water based exercises including ski, board, surf boat and swimming. Once again participants were keen to learn new skills or improve existing ones. It was noticeable how balance, confidence and endurance improved over the season.

A dragon SUP (Stand Up Paddleboard) evening with Mark Renouf is always a fun event. This year there were lots of laughs, synchronised wobbles and fierce competition. The guys took out the title this year but the gals are still one up.

The state championships held in Lorne in February are always what we are ultimately training for. This year we doubled our team size with 21 elite athletes. The week prior to the event we anxiously check the forecast for wind, rain and swell. This year we were blessed with good conditions however an algae bloom hovered on the perimeter of the competition zone. On Sunday a shark made an unwanted appearance closing the beach for the senior water event.

The Masters carnival is always a great weekend away with team mates and supporters. This year was no exception. PB's were achieved and we had a huge haul of medals across all events and age groups. At the conclusion of the water and beach days Mount Martha proudly secured second place behind Point Leo. Special thanks and acknowledgement to our amazing coaches - Caroline, Cameron, Carly and Jack. Steve Wishart has been very proactive in securing these highly qualified people and is to be commended on his vision and commitment to Mount Martha Life Saving Club.

Perhaps one of the best evenings, in my opinion, was the Masters-Seniors competition night. Andy Cook did an amazing job with the schedule and was assisted by numerous dedicated club members. Both Masters and Seniors had good representation. I must say it is not so bad getting older when the age handicap is applied. This was a really fun night for participants and observers. The most engaging and exciting event was the classic surf event involving all disciplines - surf boat, board, ski, swim and run. Due to a little "turning" caffuffle at P2 Masters lost a little advantage thrusting Grant Gibbs into a show down in the swim. Pace was fast and it was a lung buster. Unfortunately the youngins pipped us at the post but we will be back next year. Enthusiasm continued past the sunsetting with the flag event being run under the lights of the ATV.

AQUATIC SPORTS

Masters Report Cont...

As daylight savings ends we say goodbye to Masters for another year. Our final dinner was a sportsman theme again and some great costumes were displayed. Speeches, awards and magnificent food were on the agenda.

A final thank you to all of you that participated in Masters. Spread the word that it is a great group with NO SKILLS REQUIRED. We would like to be even bigger and better next year. Thank you Scott Fifield for always being there to assist with planning and facilitation. Your wealth of knowledge, experience and ability inspires all.

Keep fit over winter and I look forward to commencing again in October when daylight savings starts.

AQUATIC SPORTS

Surfboat Report

Steve Hofer

For the first time EVER, Mt Martha has a surfboat. It started with an innocent Spectacle of the states finest and fittest rowers and sweeps at the Senior States in Warrnambool last year where Steve Hofer was rumoured to say something silly like “that looks like fun”.

From then on Steve Wishart and Bec Gibbs were on a mission. Ron Johnston didn't need much encouragement and before anyone could say, “who's our sweep”, he had acquired a boat, trailer and oars , and managed to convince Pambula Surf Club to donate it to us, and we were off.

Steve H & Peter Johnston Joined the national sweep academy and piloted a boat for the first time. Both were as overawed as they were wet after that day. The boat needed work so Steve H mustered up some of the SAAC crew and the boat was repaired, sanded an painted and prepared for the season ahead.

Over summer, approximately 50 of the clubs seniors, masters and patrol members have had the opportunity to have a go at rowing a surf boat, most for the first time. There are about 10-12 regulars who turn up twice per week. There are a also a few teams emerging and there is talk of winter training and carnival entry next season.

We are also putting the trailer into our workshop to make it more practical and reliable for expeditions far and wide.

A huge thank you to Steve Wishart, Bec and Andy Cook for their encouragement at Exec level . Bec has been a hound dog for funding and sponsorship opportunities a huge thanks to team Johnston (Ron, Peter and Lucy) for their tireless support and practical help and to Kevin Spooner for supporting our program with a huge grant.

This is however, just the beginning. The surfboat is a great asset to the club, and engages many people with a social and fitness focus.

There requires lots of parts to keep it moving and lots of opportunities to get involved. If you would like to hang out with the boaties, row, sweep, look after the boat or just contribute the friendly banter. Let me know and we'll find a place for you

AQUATIC SPORTS

Icebergers Report

Scott Fifield

YOUR DREAMS ON BUDGET ON TIME

croftwootton
CONSTRUCTION

Every year the Iceberger group continues to brave the cold winter conditions. Life affirming, exhilarating, health promoting and certifiable are but a few of the descriptions attached to this pursuit.

Iceberging's popularity was enhanced as we came out of the pandemic. Social distancing diminished and a return to shared hot showers and steam rooms occurred as the hardy group members continued their appreciation of cold water swimming and its associated benefits. The club hot water bill increased whilst our domestic usage diminished appreciably.

Post-swim chatting and experience sharing resumed in earnest over hot coffee.

No longer did we need to bring a warm water container from home in order to have a post-swim dousing.

There were 13 rookies who completed their first season-congratulations to Cathy Wilkinson, Penny Flint, Alison Francis-Cracknell, Virginia Richardson, Jodie Hollands, Jacqui Bailey, Jane Ivey, Jonathon Reece, Ross Langdon, Peter Cebon, Mick Gavin, Glenn Maginness and Chris Mitchell. Our total of successful Icebergers now stands at 136.

Hearty congratulations to Rookie of the Year, Virginia Richards.

The Iceberger of the Year trident passed from Scott Fifield to Vanessa Wootton-a deserving winner.

Finally, the Iceberger group should be congratulated for continuing to contribute to the club being a facility for year-round usage and also providing the core of many of the summer Patrol Teams.

AQUATIC SPORTS

Gear Steward (Competition) Report

Keith Hunter

The 22 – 23 year was very much like pre covid times. Lots of carnivals and plenty of action. A number of boards and ski's required fixing during the season and a few currently remain in the sick bay awaiting attention.

A number of the red G Boards had their fins broken off. Please do not allow anyone to stand or sit on any boards when they are lying on the sand.

Please take care when handling skis, SUPs and boards. Get assistance with the task and ensure your access to and from the storage rack is clear.

The club has placed orders for boards and ski's and with luck, they will be available at the start of the next season.

All club members are very fortunate to have available to them an assortment of water craft and boards.

I repeat = The golden rules for looking after equipment: -

1. Do not leave boards face up in the hot sun - turn upside down.
2. Do not drag boards over sand / rocks
3. Get help to carry boards etc out off and back into the racks, A lot of damage occurs when handling them in the confined spaces of our club rooms,
4. Take care when loading / unloading and strapping boards onto cars / trailers
5. Report any damage to equipment to patrol captains and place a "do not use" tag on the equipment and store it at the back of the equip room
6. Take care of the equipment and only use the equipment for the purpose it was designed for.
7. Do not stand or sit on a board when it is on the sand.

Summary

Another good year. Great to see nippers and new members of various ages learning how to use the water equipment.

During the winter months, the boards and ski's will be checked and repairs carried out. Special thanks to Steve Hofer for helping with the board makeovers and repairs.

Schools Program Report

Sylvie Walker & Natalie Howard

Another great year for schools program!

Natalie and I were new to the role of coordinator in the 2022/2023 season. A huge thank you to our corp of life guards, some working almost daily across the full season. Showing up, being flexible with their time, and regularly accommodating weather reschedules takes great commitment. We welcomed over 12 newly qualified Bronze Medallion guards who immediately stepped up to the challenge. We were very grateful for their enthusiastic contribution as it allowed the club to accommodate additional bookings.

From December, bookings were abundant with the return of many program veterans and welcoming new groups, including sporting clubs and several high schools. We even had 3 schools on the beach concurrently! It was great watching all participants grow in confidence and skill throughout the time they spent with us. Getting the water-safety message out, providing a safe outdoor experience for many who have no previous beach exposure or low confidence is very rewarding, and the feedback about the quality of the program is regular across the season. Again, a big thank you to all of our lifeguards who make the program the unique experience that it is. We already have bookings for the end of the year, so looking forward to working with many of you again.

CLUB OPERATIONS

MMAD Swim

Andrew Felsing

The MMAD swim this year was our first under the new banner of the Mt Martha Annual Diamond Swim. Our new logo designed by Emma Shanahan – Ambr Design- was prominent

LOGISTICS

Planning for the 2023 swim was much easier due to the sub committee doing a lot of planning in 2021 for the 2022 swim which didn't happen. Decisions made at that time like no year printed on the shirts ensured that the club was not at risk financially with carry over to 2023.

David Flanagan was a great addition to the sub committee and he did a brilliant job with the applications to the various bodies eg parks Vic, LSV etc. This task is becoming more comp-lex each year as each of the these bodies add extra layers and components to the application process.

Having the 5km swim back was great but as it had been 3 years since we had held this event meant that we had many of our water safety had not experienced this swim before. Phil Shanahan, the water safety coordinator ensured that they were well briefed on the day re the conditions and their responsibilities.

The sub committee made a determined effort to get newer members involved. It is however great to see many of our club heritage members come along to assist on the day. The large number of volunteers ensured a successful event. All volunteers were thanked via email post event.

The poor weather for an extended period leading up to the swim may have been a reason for our lower than usual numbers of swimmers.

From the feedback we received our swim is considered to be one of the best. In particular the 5km swimmers feel very safe due to the large number of water safety personnel around the course.

NEXT YEAR

We are reviewing the days events and may look at extending the program. Our actual swim caps will need to be redesigned and so there is an opportunity for a club member with that sort of experience to get involved. Likewise we need someone to take over the responsibility of our website as this was seen as an area for improvement.

Overall our MMAD swim is a feature event of this community and brings all sections of our club together. The sub committee are a dedicated group which ensures the success of this event and the willingness of our many members to volunteer on the day contributes greatly to this success.

Our partnership with our sponsors Ritchies, Bayland Finance and Benton's Road Vet clinic was very positive as is our partnership with Mt Martha Rotary who provided all of the morning crew food and sausage sizzle throughout the day. We anticipate that these partnerships will continue with the 2024 swim.

CLUB OPERATIONS

Merchandise Report

Kaya Cook

Wow!! What a season we had in the Merchandise Shop.

With possibly our biggest total sales ever, the merch room was a hive of activity all season long!! We had a wide range of opening hours including during Masters, Seniors and Nippers sessions weekly as well as every day of the school holiday Nippers program.

We successfully introduced many new products which included: the much anticipated long sleeved crew new jumper as well as a hoodie option, a long sleeved hi-vis rashie, a short sleeved hi-vis rashie, new white silicon swim cap, a navy/ white striped tee, a plain white tee, the "Pride" tee, stubby coolers, a dry bag, new design nippers tees, new design seniors hoodie , new design Starfish nipper's tees, new coaches/ assistants tees and navy Engine jammers for the boys/ men.

Very impressive!!!

Our main goal in expanding the range of new products featuring our updated logo is to continue promoting our club within the community and at carnivals and it gives us great joy to see people down the village or at the beach wearing our "merch".

The support and feedback/ ideas on these new products from club members and the wider community has been really encouraging and we look forward to bringing you more over future seasons.

We also added a new "Square" point of sale system to the merch room which really streamlined daily transactions/ ordering/ stock-takes – a big "Thanks" to Bec for implementing this!

Thank you also to the team of ladies who assisted in the merch room as part of their active membership. This made some of the busiest times really manageable and we'd love to have you back next season along with anyone else who'd like to help out.

Another addition to the room was the cork display boards which were really great in showcasing our range of products.

Our first priority of season 2023-2024 is to develop the new on-line Merchandise Shop to further promote sales for members, so keep checking the website for updates.

Thanks again to all the members who visited us in the Merch Shop throughout the season, your support was much appreciated and we can't wait to show you what we have in store for season 2023-2024.

Merchandise Team

CLUB OPERATIONS

Mount Martha Beach Patrol 3934

Amy Westnedge & Cathy Mitchell

In the last 12 months Beach Patrol 3934 has collected 779 kgs of rubbish from our beach. Hang on a minute!.....779kgs.....that is a huge amount!

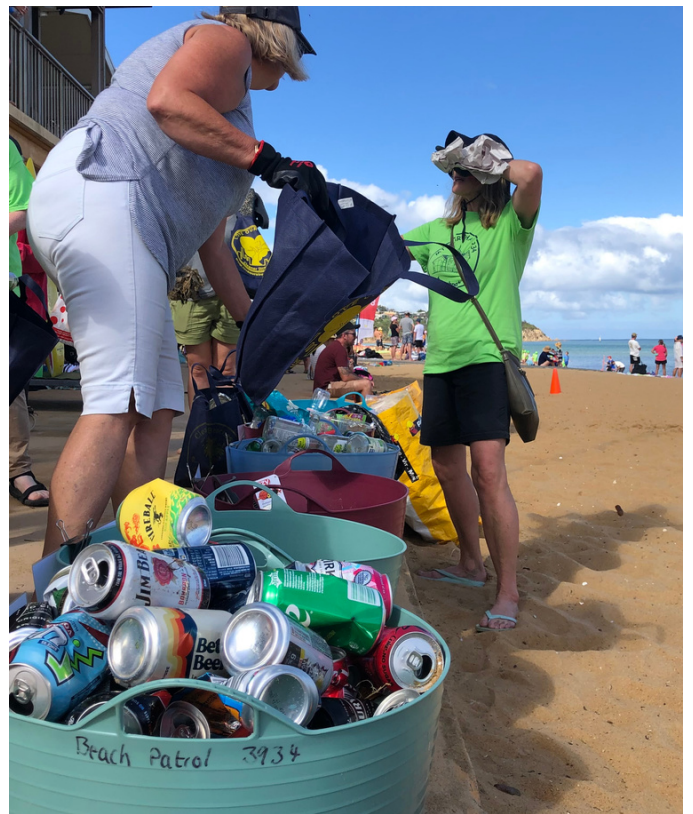

We had a total of 174 volunteers in the last 12 months including some very committed community members as well as club members. It's been wonderful to see families come along and children actively helping collect, sort and count rubbish.

The number one rubbish collected was PLASTIC plastic bags, plastic wrappers, plastic bottles, plastic toys, plastic containers ... the list goes on.

If you wander along the beach it may look fairly clean, however there are plastic pieces everywhere. Depending on the current sometimes the plastic washing ashore is immense.

So we need to continue involving the club in looking after our environment, urging members to participate to increase awareness of the reality of our litter problem, and helping us to inform the community, council and higher authorities of the waste being collected around the bay.

Well done to all team volunteers. You are amazing and your support is well and truly appreciated. A special thanks to our club team Sarah Joyce, Chris Sordello, Trish Hunter, Sophie McLeod and Keith Hunter for driving the ATV

AWARDS AND RECOGNITION

Awards & Recognition Report

Chris Quinn

Congratulations to the following active patrol members who have reached a cumulative years of service milestone during the 2022/2023 patrol season

Member Name	Recognition Award
Charlie Lines-Perrier	5 years patrol
Simon Tate	5 years patrol
Joseph Walker	5 years patrol
Beth Graves	10 years patrol
David Mowat	10 years patrol
Steven Wishart	10 years patrol
Dylan Craig	15 years patrol
Justine Lucas	15 years patrol
Nick Wootton	15 years patrol
Vanessa Wootton	15 years patrol
Grant Gibbs	20 years patrol
Joanne Shanahan	20 years patrol

Active patrolling members who register 16 or more hours of patrol per season are eligible to have that patrol season count towards their cumulative years of patrol service. Recognition awards are presented at the MMLSC Annual Presentation for every multiple of 5 years of cumulative patrol service.

LSV 2022/23 Awards of Excellence

This year the following nominations were submitted for the LSV 2022/23 Awards of Excellence:

Club of the Year

Innovation Award – SAAC Program (Surfcraft Appreciation & Artist Crew)

The LSV Awards of Excellence event will be held in August 2023.

AWARDS AND RECOGNITION

2023 Life Members

Vanessa & Nicholas Wootton

2023 Club Legend The Johnstone Family
